Yes, you read that right... the venerable Rudy's Bar at 44th and 9th since before Prohibition was repealed, now serves FREE Hebrew national hot dogs to its customers.

Competitors thought it was crazy when Rudy's began serving free dogs with its famously low-priced drinks, but now they serve THOUSANDS a month.

The only way to top that success was to bring in a better class of dog. So Rudy's, never one to go halfway, went all the way to the top. They brought in the nation's BEST hot dog - Hebrew National - and the price? Even better! They are FREE for customers.

Hebrew National® all-beef franks, made with 100% pure kosher beef, confidently provide premium taste and high quality every time. At a backyard picnic or a summer ball game, this is the frank you

can depend on. And now over at Rudy's, they are 100% FREE to all its customers.

For those few who have not been to Rudy's Bar, they have the lowest prices in town.

"We will NOT match other bars' Happy Hour Prices," says manager Danny. "We REFUSE to raise our prices!"

That's how it is at Rudy's. The best booze, people and prices. The lowest prices anywhere.

So come on in to Rudy's to see who put the Brew into Hebrew National! Have a pint of Rudy's Red, or any of their other great libations, and enjoy Hebrew National hot dogs, on the house!

And don't forget to check the Official Rudy's Website for specials: <http://www.rudysbarnyc.com>. They're also on Facebook!
